To Whom It May Concern,

I am Joseph Jenkins, the Director of J.C. Movement, Inc, a 501c3 Non- Profit. Our organization is organized for charitable, scientific, religious, and educational purposes in Nashville, Tn.

We currently operate 2 Youth Education Before & After School Programs that cater to 90 students in our Elementary School at KIPP Kirkpatrick and our Middle School at Liberty Collegiate Academy.

In the past years, we have made sure that our students and families can receive some love in the forms of gift and gift t cards to help families during the Holiday Season.

I am reaching out with a possible partnership to help our students and families during the Christmas Season.

Here are a couple of ways you can contribute to our efforts. One is by clicking the attached link to donate and selecting "Christmas for The Kids." You could also purchase items yourself and have them delivered to the organization's house. You can find the address above or on the website.

I have enjoyed coming to your establishment while still being able to help, teach, and attend to students and families. I look forward to connecting and creating a fantastic Christmas for our students and families. Don't hesitate to reach out at 615-495-5658 if you can support our efforts to make a difference in the community. You may also contribute by visiting our website or mailing to the above address. Thank you so much for your kind consideration of our request, and we hope to hear from you soon.

Best,

Joseph Jenkins
Chief Executive Officer
